**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I consider myself extremely lucky to have been able to switch from Comcast, which offered mediocre service at best, to Sonic. Comcast did not offer fiber, but Sonic now runs fiber right to my house and is half the price of Comcast! Furthermore, Sonic's support staff can actually communicate competently about technical details---a far cry from Comcast's call centers. I love supporting this local business, and I love the product they provide.

In fact, Sonic's service is one of the things that keeps me from moving to another neighborhood where it's not yet available. They're really the best.
